

# SOUTH AUSTRALIA STATE SPONSORED MIGRATION LIST

## South Australian State Sponsored Migration List (SSML) 2010/11

- Skilled - Sponsored (Migrant) visa (subclass 176)
- Skilled - Sponsored (Residence) visa (subclass 886)
- Skilled – Regional Sponsored (Provisional) Visa (Subclass 475)
- Skilled – Regional Sponsored (Provisional) visa (subclass 487)

The following list includes occupations that Immigration SA will consider for Sponsorships under the State Migration Plan. The occupations listed below reflect general skills shortages in South Australia and do not relate to a specific job vacancy, nor represent a guarantee of a job in a specific occupation. State Sponsored migrants must compete with all people in the labour market as part of the normal competitive selection process.

### Skills Recognition - The Australian Skills Recognition Information site

<http://www.immi.gov.au/asri/a-z.htm> will help you to find out how to get an assessment of your qualifications, skills or experience gained overseas. You can also find State-specific licensing and registration requirements to perform your occupation in South Australia through SRS (Skills Recognition Services) <http://www.work.sa.gov.au/>

### ANZSCO / ASCO

If your skills assessment has an **ASCO** code, please visit the DIAC website to check DIAC's endorsed **ANZSCO / ASCO** correlations for STATSOL schedule 4 - <http://www.immi.gov.au/skilled/sol/>

### Special requirements

Some occupations have additional requirements that you must meet in addition to all other sponsorship requirements. If there is no special requirement listed you are required to meet the threshold requirements for sponsorship.

If you hold a valid passport from, and are a citizen of, the United Kingdom, Canada, New Zealand, United States of America, or the Republic of Ireland, **you must provide an IELTS test result if the requirement is 7.0 or higher.** Where the requirement is less than 7.0 no IELTS test result is required.

### PLEASE NOTE:

Each occupation listed has a planning level and will become 'Not Available' should this be reached. If your occupation is listed as 'Not Available' you may be eligible to apply for sponsorship if you meet the OFF LIST criteria. See criteria for OFF LIST sponsorship on the website.

Sponsorship availability applies at the time of decision for new sponsorship applications. All occupations listed will receive Priority Processing 2 by DIAC regardless of sponsorship availability.

For more information, including how to apply, visit <http://www.migration.sa.gov.au/gsm>.
